Chapter 2 Friday Flex

> Three tracks. No Friday activity is required for Week 3's new core instruction. Low-prep, quick reset.

RECOVER

Field	Value
Time	flexible
Materials	unfinished Moving Marbles pages, notes
Teacher prep	none
Student independence	independent/guided
Printable	as needed
Reusable	yes
Concepts reinforced	moving object causes change, evidence

Options: - Finish the Moving Marbles investigation (Tuesday's page). - Absent-student recovery (see `student/recovery/02-ch2-absent-student-recovery.md`). - Notes correction — complete missing guided-notes sections.

PRACTICE — Motion Evidence Sort

Field	Value
Time	15 min
Materials	sort cards (scenarios) + 3 header cards
Teacher prep	low — print/cut
Student independence	guided
Printable	yes
Reusable	yes
Concepts reinforced	moving object · change caused ·

Field	Value
	evidence

Activity: Students sort cards into three columns: 1. **moving object** (e.g., "a rolling marble") 2. **change caused** (e.g., "the target marble moved") 3. **evidence** (e.g., "I saw the target move from here to there")

PRACTICE — Observation vs Inference

Field	Value
Time	10 min
Materials	sentence strips
Teacher prep	low
Student independence	guided
Printable	yes
Reusable	yes
Concepts reinforced	observation vs inference

Activity: Students sort statements into "observation" or "inference": - Observation: "The cup moved 12 cm." - Inference: "The marble had energy." - Observation: "The target marble changed position." - Inference: "The moving marble caused the change."

EXTEND — Motion Mystery Files

Field	Value
Time	15 min
Materials	clue strips
Teacher prep	low
Student independence	guided
Printable	yes
Reusable	yes

Field	Value
Concepts reinforced	moving object → change → evidence

Activity: Give a short scenario ("A rolling ball bumped a block and the block slid forward."). Students identify the **moving object**, the **change**, and the **evidence**.

Optional challenge: design a safe tabletop setup where one moving object causes another object to change (no launching, no ramps).

Rule check

- [x] No Chapter 3 speed comparison
- [x] Not required for Week 3's new core instruction
- [x] Low-prep, quick reset
