OFFICIAL CERTIFICATE OF ACCOMPLISHMENT

Energy Detective

Mastery Badge

This certificate is proudly awarded to

_____

For demonstrating science mastery in energy transfer, energy transformation, and the benefits and limitations of natural resources in Grade 4 Science.

CORE SCIENTIFIC COMPETENCIES MASTERED

- Identifying observable evidence of energy (energy → change → evidence)
- Using fair tests to investigate speed and energy of motion
- Tracing energy pathways through power systems
- Comparing benefits and limitations of renewable and nonrenewable resources
